Crafters will be situated around the centralized bingo pavilion first and then in a second tier between that pavilion and the food vendors. All spaces will be spaced 10 feet apart to create ample room for social distancing.

New vendors will be screened - if you do not have a website or Facebook page, please send photos of your products to mhra@dejazzd.com. Crafters must provide their own tents and tables. There is very limited electric.

Crafted work must be handmade and preferably related to fall, winter, or children's toys.
